JUSTICE IS ETERNAL

*Justice is eq(lib)ua(er)lity(ty)
POWER can defeat it, but
Justice roams free HAUNTING
the "MISDEED."*

*The "misdeed" can't be
forgiven unless it is confessed.
Nobody can be OPPRESSED.
While the innocent gets the
blame, the immoral runs free.
The "misdeed" must
pay the horrible fee.*

NATURE

*NaTure IS the BIGGEST teacher
ONE Great Keeper
All the Seasons
Have a REASON

Nature's Maglcal
Shining Crystals
TWINKLES in the mist
NAturE's a GiFT
A beautiful landscape
Is hard to escape
FlowING StreaMS and Lake
And a shiny snow flake
REPRESENTS beauty
It's NATURE is ABsolutely
Remember NATURE'S why we're here

THE BREAK OF DAWN

*A sunrise breaks, da dawn of a new day,
A blan' canvas, wit no words to say.
The beauti o' life, so calm and chill,
Just simple moments, no time to kill.
No me'a'phors or smilies, no hidden meanin'
Jus' a vew so reel, with no need o' leanin'*

The star shines bright
In the night sky
Shining with all its might

Forming constellations of different shapes and sizes
They shoot stars as they will
and become marvelous devils

When they meet they're end they lose all their friends
leaving a gas cloud
Which forms new stars with know bounds

If - you - make - ME - An - OUTFIELDER.
